

ARCHITECTURAL WOODWORKING

December, 2019 EDITION

**INTRODUCING THE BEAUTIFUL WORLD
OF ARCHITECTURAL WOODWORKING AS
PRESENTED TO YOU BY
KAY DEE COMPANY of OMAHA**

TO ALL OUR VALUED CLIENTS

For over 60 years, Kay Dee Company of Omaha has been manufacturing quality millwork for our many clients throughout the United States.

We currently have over 900 different moulding profiles available to choose from in our catalogue. We manufacture anything from crown moulding, panel moulding, chair rail moulding, door and window casing, baseboard, handrail and numerous other moulding profiles. Several of our moulding profiles are also available in radius to match your requirements. We can custom match to your existing wood moulding profile if necessary.

Don't forget that mouldings are only one aspect of our business.

We are also one of the Midwest's largest manufacturers of architectural millwork including but not limited to modular casework, custom casework, wall paneling, circular stairs, furniture and a broad range of other products too numerous to mention.

We have been a member of the Architectural Woodwork Institute (AWI) since 1968. We have been an "AWI Certified" millwork company since 1997, when we joined a select group of companies in the United States that are "AWI Certified". The AWI Certification is another guarantee of quality that you can count on.

In closing, we want to thank all of you for your past business and support, and hope that we can continue to be,

"YOUR ONE STOP MILLWORK SHOP"

Sincerely,

David Walz, (President)

TERMS AND CONDITIONS

TERMS AND CONDITIONS:

All information contained herein is the property of the Kay Dee Company of Omaha. Any copying or reproducing of this material or any portion therein is expressly prohibited. Use of this catalogue is to be used by the person or company it is assigned to by The Kay Dee Company of Omaha. It is not to be loaned or given to any competing company or person.

All sales are expressly conditioned on buyer's agreement to the terms and conditions set forth below. No additional or different terms shall apply unless expressly agreed to in writing by an authorized officer of the Kay Dee Company of Omaha. These Terms and Conditions are subject to change without notice.

TERMS / PAYMENT CREDIT:

Accepted methods of payment unless otherwise advised, are cash or check. Returned checks will be subject to a \$35.00 fee. You can pay for your order using the following CREDIT CARDS: Discover, MasterCard, Diners Club International, Visa, JCB and American Express.

You may also pay using a debit or check card with the Visa or MasterCard logo, you must have sufficient funds in your account at the time of charge.

IN HOUSE AND NEW ACCOUNTS:

New customers who wish to open an "In House Account" will be required to complete a credit application form. We must approve this application before we can process your first order. During the credit approval process, all new customers will be required to pay for three purchases prior to an open account being established. The terms unless otherwise stated for an "In House Account" are **30 DAYS NET**. Noncompliance with these terms may result in an account being placed on a credit hold and will require COD payment on accounts delinquent after 45 days.

STOCK AND NON-STOCK:

Our "Stock" Moulding items are inventoried in Oak or Poplar, and are normally readily available for quick shipments. Our stock moulding profiles can be fabricated using other wood species and are considered to be "Non-Stock". Wood species that are available are: Alder, Ash, Birch, Cherry, Hard Maple, Mahogany, Pecan, Walnut and White Oak. Other exotic wood species are available. If possible please e-mail, call or fax us your "Quote/Order" request in advance so we can verify the availability of your material requirements.

Non-Stock will also mean that moulding profiles listed as "NS" or "Non-Stock", are not in our inventory, but we have the tooling readily available and we can produce these mouldings in any specie so you may incur a setup charge depending upon the quantity of material you are looking for. Please e-mail, call or fax us your "Quote/Order" request.

SETUP CHARGES:

Setup charges for Non-Stock moulding profiles will vary depending on the total lineal feet of material ordered. Any order of 500 lineal feet or more per profile would not incur any setup charges. Please e-mail, call or fax us your "Quote/Order" requests so that we can determine those costs.

GRINDING CHARGES:

Grinding charge's for special moulding profiles not in our catalogue vary depending on the number of knives required and size. We have the capability to custom grind knives to match any profile that you may have. We will draw up detailed shop drawings for your review and approval on any "Grind To Match" profile. Please submit your profile specifications to us for a quote via:

e-mail us at kdsales@kaydeeco.com

Or by Fax @ 1-402-593-9228

Fax: 402-593-9228
www.kaydeeco.com

"YOUR ONE-STOP MILLWORK SHOP"
SINCE 1948

TERMS AND CONDITIONS

QUOTING AND ORDERING PROCEDURE:

For your convenience all mouldings shown are considered to be either Stock or Non-Stock. Any moulding profile that is considered Non-Stock will have the "NS" or "Non-Stock" notation behind the KD profile number. Stock mouldings will not have these notations. Our stock mouldings typically are only stocked in Poplar and Red Oak lumber only. Therefore a stock moulding profile will be considered "Non-Stock" if that profile is to be fabricated in Walnut as an example.

To save time and mistakes please follow the simple Quote / Ordering procedure below:

By phone @ 1-402-593-9663, EXTENSION #24

Or by Fax @ 1-402-593-9228

1. When ordering please give us the KD Product number first, ----- ie: KD 1150
2. Specify the specie required, ----- ie: RED OAK
3. State the quantity required, (lineal feet or piece lengths), ----- ie: 120 lineal feet
or, ----- ie: 12 pieces at 12'-0"

Remember that piece lengths are normally stocked 8' - 10' - 12' - 14' and 16' long. Since 14' and 16' lengths are becoming much more difficult to acquire, please try and order shorter lengths if possible. If specified lengths are required you may be subject to a 20% up charge depending on the specie and availability.

For placing a Quote / Order on the internet, please visit us on our website at www.kaydeeco.com

Or by e-mail at kdsales@kaydeeco.com

Or by calling @ 1-402-593-9663, EXTENSION #24:

OVERRUNS:

Sometimes when we are processing orders there will be overruns on orders. This can happen when an order is placed for, as an example only, 175 lineal feet moulding in Walnut. If the Walnut is only available 10'-0 lengths, we would have to fabricate 18 lengths of 10'-0 moulding which would total 180 lineal feet to fill that order. That would be an overrun from the order of 5 lineal feet. This additional footage will be shipped and invoiced as part of the order.

Sometimes this could also happen when an order, as an example, for 10 pieces of Mahogany 14'-0 long is placed. If the Mahogany was not currently available in 14'-0, but it was readily available in 16'-0 lengths, there would be an overrun of 2'-0 for each length ordered. This would have a total overrun of 20'-0 for this order. This additional footage will also be shipped and invoiced as part of the order.

QUOTE AND ORDER CHANGES:

"Quote" changes can be made at any time. "Order" changes can be made prior to lumber being ordered. **This typically MUST be done within 3 days of placing your order.** If you need to make changes to your order, please contact us BY CALLING 1-402-593-9663, EXTENSION #24. If lumber processing for your order has begun, you may incur additional expenses if we have to reorder lumber to fill your order after changes have been made.

CANCELING AN ORDER:

Order's can be canceled at any time. If "Non-Stock" materials are required to fill your order, your order may be canceled prior to lumber being ordered from our suppliers. **This typically MUST be done within 3 days of placing your order.** If you need to cancel your order, please contact us IMMEDIATELY BY CALLING 1-402-593-9663, EXTENSION #24.

If lumber has been ordered for your order and the lumber is in transit to us, you may incur additional shipping and restocking fees if we have to return lumber to our suppliers. If a credit card was charged we will issue a refund to the credit card used for the original purchase.

Orders cannot be changed, modified, or canceled once your order is placed into production.

"YOUR ONE-STOP MILLWORK SHOP"
SINCE 1948

TERMS AND CONDITIONS

DEPOSITS:

Any "Non-Stock" order will require a 50% deposit from cash or credit card paying customers. We will require a purchase order from all of our "In House Account" customers.

PRODUCT AVAILABILITY AND PRODUCTION TIME:

Order's can have both "Stock" or "Non-Stock" items. Orders that have "Stock" items can be ready for will call pickup, or can be shipped in one to two business days. Orders that have "Non-Stock" items typically have a lead time ranging from one to two weeks, or 10 business days. This time is based upon the availability of the wood species selected and the total footage of material required. Orders that will require "Grind To Match" profiles may take a little longer because we will be have to draw up detailed shop drawings for your review and approval before we can proceed with your order.

DELIVERY, SHIPPING AND FREIGHT CLAIMS AND CHARGES:

Local deliveries within a 25 mile radius will be subject to a \$50.00 shipping charge. Unless previously arranged, no deliveries will be left at a vacant jobsite. All deliveries will be tailgate delivery. Any shortages or damage should be noted on the delivery ticket at the time of delivery, or by notifying us no later than three days after receipt of goods.

All other shipments will be shipped via UPS Freight, unless other arrangements have been made. The transit time, once your order ships, is anywhere between 1 and 7 business days. UPS Freight charges will be added to and billed on your invoice as part of the order. You will be notified in advance of shipping what the freight charges will be. Upon receipt of your shipment, any damage must be noted on the shipping ticket, and any damage claim must be filed with an UPS Freight agent. If after inspection of your shipment, there are any shortages or your order was not received complete, you must notify us immediately but no later than three days after receipt of goods. The buyer has the responsibility for verifying that all items are received as billed. No adjustments will be made after this 3 day period.

If you choose to have your order shipped via your preferred common carrier, it will be shipped freight collect, unless other arrangements have been made. Upon receipt of your shipment, any damage must be noted on the shipping ticket, and any damage claim must be filed with the common carrier's agent. If after inspection of your shipment, there are any shortages or your order was not received complete, you must notify us immediately but no later than three days after receipt of goods. The buyer has the responsibility for verifying that all items are received as billed. No adjustments will be made after this 3 day period.

CRATING / WRAPPING:

Special crating or wrapping with corrugated cardboard, or packaging in shipping tubes will be quoted per order.

RETURNS:

All returns will be subject to a 25% restocking charge. (STOCK ITEMS ONLY)

All returns must be authorized in advance of the return of materials, and accompanied with either a copy of the original invoice showing the price paid, or a Returned Goods Authorization Number (RGAN). You can obtain an RGAN by contacting customer service at kdsales@kaydeeco.com, or by calling 1-402-593-9663, EXTENSION #24.

No returns will be allowed on any special run "Non-Stock" items. All returns must be made within 30 days of the date of shipment. All returns must be in "As New Condition" and received within 14 business days from the date that your RGAN was issued. All returns by UPS Freight or common carrier shall be sent to The Kay Dee Company freight prepaid, and no COD's will be allowed. If a credit card was used to purchase items that are being returned, we will issue a refund to the credit card used for the original purchase, as soon as we have received the returned material.

Should you have other questions or concerns about these policies, please contact us via e-mail at kdsales@kaydeeco.com, or by calling 1-402-593-9663, EXTENSION #24.

The lumber used to manufacture a "Clear" piece (one face and edges clear with the other side sound), is the top grade provided by the National Hardwood Grading Rules, First and Seconds (FAS). FAS grade, based on mixed widths and lengths, is a cutting grade permitting certain knots, splits, wane, wormholes, ect.

In manufacturing S4S material in specific sizes from FAS lumber enough boards must be hand selected, ripped, trimmed and surfaced to size. At best we still have a waste factor of between 30 to 50%.

S4S material is sold in linear feet (specific lengths are extra), include lengths of 8', 10', 12', 14', and some 16' pieces. wider widths, and different thickness are available. Please call for price quotes on all of your S4S needs.
